RE: AN ORDINANCE OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, AMENDING CHAPTER 12, OF THE CITY OF NORTH MIAMI CODE OF ORDINANCES, ENTITLED "NUISANCES", BY AMENDING ARTICLE III, ENTITLED "MAINTENANCE OF SWALE AREAS", SPECIFICALLY AT SECTION 12-10 ENTITLED "STANDARD OF MAINTENANCE" TO PROHIBIT THE PLACEMENT OF ITEMS ON TREES IN THE SWALE AREA; PROVIDING FOR REPEAL, CONFLICTS, SEVERABILITY, CODIFICATION AND AN EFFECTIVE DATE.

RECOMMENDATION

It is recommended that the Mayor and the City Council of the City of North Miami, Florida amend Chapter 12, of the city of North Miami Code of Ordinances entitled "Nuisances", by amending Article 3, entitled "Maintenance of Swale Areas", specifically at Section 12-10 entitled "Standard of Maintenance to prohibit the placement of any items on trees located in the swale area.

BACKGROUND

Risk Management staff recently performed inspections within Keystone Point and discovered several swings and similar apparatus that were placed on City trees within swale areas.

The swings serve as attractive nuisances and pose inherent risks to those using them (primarily children), pedestrians and motorists. If left uncorrected, the City is exposed to potential liability from any injuries arising due to use of these swings currently existing on public right of way.

Although the City's current regulations address the standard of maintenance for swale areas, they do not prohibit the placement of items in swale. Amending the Code of Ordinances to place language that clearly establish regulations prohibiting the placement of items in swale areas will enable Code Enforcement to effectively execute their function to ensure that swale areas are devoid of attractive nuisances for the well-being of the City of North Miami at large.
